

Island Energy Drink

Lift up the vibes with the Island!

ORGANIC AGAVE!

MADE IN THE USA

Island

ENERGY DRINK

TM

Born in the Caribbean, this exciting new beverage is sweetened with organic agave with a naturally low glycemic index. We have boosted it with B Vitamins and caffeine for that extra energy with **NO PROCESSED SUGAR, NO CRASH, and NO AFTERTASTE**

The following is a list of the Ingredients in Island Energy Drink along with the function of each ingredient.

This list is provided in order of greatest quantity first:

- 
- 1) **Carbonated water** - provides hydration and characteristic fizz adding to taste.
 - 2) **Organic agave** - natural sweetener.
 - 3) **Malic acid** - preserves flavor and enhances taste and appearance.
 - 4) **Natural flavors** - enhance the taste of the finished product.
 - 5) **Potassium citrate** - a food additive to regulate acidity.
 - 6) **Fruit and vegetable juice** - enhance color and flavor of product.
 - 7) **Caffeine** - enhances energy and mental alertness.
 - 8) **Niacinamide (vitamin B3)** - aid in metabolizing fats and sugars in the body.
 - 9) **Stevia extract** - natural sweetener.
 - 10) **Calcium-d pantothenate (vitamin B5)** - metabolize proteins, carbohydrates, and fats.
 - 11) **Pyridoxine hydrochloride (vitamin B6)**-enhance energy and body function.
 - 12) **Cyanocobalamin (vitamin B12)** - supports in the normal functioning of the brain

Need the Energy to do it all?
